

# B'nai Israel Reform Temple Bulletin

## *Rabbi Rosenthal's Message*

I love that each week we have the opportunity to highlight so many beautiful and diverse themes in our services. This February brings another such opportunity, Scout Shabbat. Our annual Scout Shabbat takes place in partnership with the Suffolk County Jewish Committee on Scouting and Barry Kopeloff who is the local Chairman. During the service, we hear from scout organizers, offer a special blessing for our scouts, and encourage participants to wear their Boy Scouts of America uniforms.

Scout Shabbat offers a wonderful opportunity to honor the great work that local scouts do and to lift them up in their pursuit to give back to the greater community. Joel Silverman has been very active in helping to schedule these special services and we are thankful to his outreach and

organization.

My kids have both been involved in the scouting program through their school here in Hauppauge, and love the opportunity to spend time outside, develop outdoor skills, learn about healthy foods, and donate to worthy causes in the community. I know many members in our congregation actively participate or have participated in Scouts and have even used their community service project to help the Temple. Thank you to all who have done so, it means so much to us that you keep us in mind when choosing your project. Each gift makes a positive impact in our community.

In addition to the many honors bestowed, each year there is a new Jewish scouting patch. Along with Hebrew and Jewish symbols it is always a unique addition to the ever-changing collection. The cantor and I have been honored each year to receive one, each design is beautiful and unique.

For those of us who have not participated in the scouts, it is wonderful to hear a little more about this wonderful program, and to join in honoring those who participate.

We certainly hope that you will join us on February 10<sup>th</sup>, 2023 at 7:15 pm for our Scout Family Shabbat service. Wishing everyone a wonderful month.

## President's Message

**Seth Berman**

Sometimes it's good to let people know how things get done. Before you get too excited in this case I am talking about how my crazy mind works in preparing these articles that I write every month. Now to be honest today is 12 days past the deadline that my article was due. Thank you to Jeannette for not only holding a place in the bulletin for me but for also pushing me on this idea.

You see, when I don't have anything to bring you in my message about what is happening at the temple I fall back to using an upcoming Jewish Holiday and tying that into a message. I was at a loss this month. Purim isn't until March and Passover not until April. And then...Jeannette reminded me about Tu BiShvat. And not only did she remind me of it she gave me the "meat" of the message.

Let's remember what Tu BiShvat is...some call it Jewish Arbor day and others call it Rosh Hashanah La'llanot, quite literally New Years of the trees. Now I am not going to get into the history of Tu BiShvat however I do encourage those who don't know about the holiday to look it up, it is interesting.

So why use Tu BiShvat? Trees are important to our religion. In the Torah Service we sing Eitz Chayim hee la'machazikim ba (It is a tree of life for those who grasp it) as we return our holy scroll to the Aron Kodesh. In our lobby we have a beautiful Tree of Life which was designed and painted by our congregant Faye Biegun. This beautiful work of art has leaves from not only B'nai Israel but also from Sinai Reform Temple.

If we look at the words from our Torah Service, we can tie it to our temple community. B'nai Israel is here for you to grasp. Our congregation has served our community since 1962 when the founders used a store front as their meeting place. Since then, we have moved twice finally to our current location and we are still here for you. By choosing to be a member you have put your roots down with your temple family. Please remember that we are always there for you.

I'Shalom,  
Seth C. Berman

## PLAY BALL!!!!

**Joel Silverman**

Could it possibly be baseball season already? Not exactly, but as you read this edition of the bulletin, spring training will be ramping up in warmer climates. Locally, arrangements have already been made with the Long Island Ducks to work at their concession stands and earn commissions and tips as a fund-raiser for B'nai Israel. Plans have been firmed up and a signed contract is in place for the 2023 season. Baseball at the Ducks Stadium in Central Islip gets underway on **Tuesday evening, May 2nd**, and we hope to have our volunteers work that game and as many more as possible through the entire season.

For the first time we have been invited to work any and all weekend and weekday games, with the exception of Friday evenings. Historically, Saturday evening fireworks games have been the big draw and earn the big money, but we found last season that putting a few of us to work during the week as well, adds up over the season and allowed us to break all our previous records with over \$21,000 in outside income for B'nai Israel. (And our help is valued and appreciated by Ducks management as well.)

We actually hope to do even better this year, but to do that we need the participation of many additional Temple volunteers. There will a lot more information on volunteer opportunities closer to opening day, but meanwhile you can check out the schedule on the Ducks web site and/or contact us at [ducks@bnai-israel.org](mailto:ducks@bnai-israel.org) to get on our email list for Ducks updates. We hope to see our experienced folks back along with many new faces for the 2023 season.

## Outreach Committee Report

**Alice Lambert**

Happy New Year! While everyone is busy making resolutions for the New Year, I'm asking you to resolve to making donations to the "Outreach Fund" throughout the year. Your donations will help us help people in our community who come to us for assistance.

Another resolution that I would like you to make, is to bring non-perishable food and personal hygiene items to the Temple whenever you come into the building. There are two brown bins in the lobby into which you can place your donations. These donations are brought to the Chestine M. Coverdale Sayville Food Pantry which is having trouble keeping the shelves full.

As always, gift cards to supermarkets or pharmacies are welcome. These are often given out to families who are going through a rough time and need a one-time boost to help them.

If you, or anyone you know within our congregational community, is in need of our help, please reach out to me and I will see what we can do. All requests are kept in strict confidence.

Thank you for your continuing support.

## Membership Committee

**Joel Silverman**

Hello From The Membership Committee!

Many of us have gradually become more comfortable returning to in-person services at the Temple. The Membership Committee would like to welcome back more of our members and friends of members. Please join us as we pray, reflect, and then re-connect at the Oneg. We look forward to seeing you soon.

HELLO

Hello!

Do you have good news to share? Please let us know.  
We love to have more reasons to say Mazel Tov!

## Scout Shabbat

**Joel Silverman**

The Family Service at 7:15 on February 10th will be our annual Scout Shabbat to honor and recognize the children and adults who participate in the Suffolk County Scouting program. All branches of Scouting will be represented and uniforms are appropriate for the occasion. Scouts do not have to be members of B'nai Israel to participate. A representative of the Jewish Committee on Scouting will be with us that evening and Scouts and their adult leaders will receive a blessing from the Rabbi. Everyone in uniform will receive a patch to represent their participation in 2023. As always, parents, family and friends of our honorees are invited and encouraged to attend as well.

## Dynamic Chair Yoga with Bonnie Rubell

Dynamic Chair Yoga is an intermediate level yoga class held at our Temple every Thursday morning at 10:30 am.

This is an active yoga class for fit seniors who want to start or continue their yoga practices. This class presents modifications for many yoga poses. Students choose the modifications which work best for them. This is a Hatha chair approach aimed at building body strength for balance and flexibility for life activities such as walking, hiking, travel, dog walking, kayaking and more. Special therapeutic exercises on the Yoga mat will address typical age-related physical changes and conditions. Senior Yoga is strengthening, therapeutic and protective for body and mind. It's also social and fun. This class is also appropriate for all ages who want to get back to an exercise program after a long break.

## PASSOVER DINNER SEDER

Shalom Chaverim,

Passover is a time for family, community, and celebration. It is not only a recognition of our past freedom, but a reminder that there is much work to do in order to ensure freedom for all in present times.

Please join us for our **in-person Annual Temple Passover Seder on Wednesday, April 5, 2023 at 7:00 pm** as our congregational family celebrates these themes throughout our seder.

During the evening, we will enjoy a Kosher for Passover dinner, participate in Passover rituals, sing seder songs, and enjoy a sweet dessert.

We strongly encourage you to get your reservations in early as this event has proven to be very popular and space will be limited. The special "EARLY BIRD" cost of \$59.00 per person is limited to Temple affiliates and their families. This cost must be paid in full by March 2, 2023. After that, the cost for Temple affiliates and their families will be \$69.00 per person. The cost for children age 12 and under will be \$30.00 per person until March 2, 2023 and \$40.00 per child thereafter. As per the caterer, there will be absolutely no reservations accepted after March 14, 2023.

Looking forward to celebrating Passover together in person!

Wishing you all a *Chag Passover Sameach*, a wonderful Passover!
